## APPLICATION

I am applying for a **subject entrance examination waiver** in the Admission Process for the PhD Programme.

Reasons: **I have chosen one of the thesis topics offered by the faculty and have obtained the approval of my future supervisor; moreover, I have fulfilled** at least one of the conditions below (tick as appropriate, or delete what is not relevant; awards, publications and other achievements are to be attached). Applications must be submitted by **May 31, 2021 in case of points 1,2,3 and 6** by **July 7** in case of point **4** and by **June 14** in case of point **5**:

- 1) my work has been recognized in the SVOČ competition in computer science, mathematics, or teaching of mathematics (for study programmes in the fields of Computer Science and Mathematics);
- 2) my work has been recognized at the Czech-Slovak Student Conference on Physics (for study programmes in the field of Physics);
- 3) I am the author of original scientific work on a relevant topic which has been published, or accepted for publication, in a reviewed medium indexed by MathSciNet, SCOPUS or ISI Web of Knowledge databases
- 4) I have finished a master's study programme in the field of Physics, Computer Science or Mathematics in the academic year 2019/2020 or 2020/2021, and my grade in each part of the state final examination is "excellent" or "very good" (for the study programmes in the field of Physics, Computer Science and Mathematics)
- 5) I have gained at least 120 credits in the Master's Programme in the field of Physics, Computer Science, or Mathematics during the 2019/20 and 2020/21, and my average study grade (according to the Code of Study and Examination, Art. 8, Par. 13) is at most 1.5, where 1="excellent", 2="very good", and 3="satisfactory" (for study programmes in the field of Physics, Computer Science, and Mathematics);
- 6) I have achieved outstanding results in other areas, which testifies my abilities for doctoral studies.
